The PE Foods Story

PE Foods started back in 1981 as a one stop shop for the bakers of the baking industry and remains a powerhouse to this day.

Throughout the years we have supplied everything a baker could possibly need from the basic ingredients through to the more challenging to source items .

In our quest for continuous improvement, the last decade has seen exponential growth with the acquisition of other food distribution businesses and setting up regional branches.

All of this has seen us expand beyond our original scope, whilst remaining loyal and steadfast to our grassroots customers.

As a part of our ongoing expansion and commitment to provide even more to our customers, we now have a dedicated Artisan and Specialty Foods division as well as our original Bakery business.

Falling under the PE foods umbrella we can now bring speciality artisan producers from Australia and abroad, like never before to quality restaurants, hotels, cafes, caterers, wholesalers and retailers from Northern NSW through to Far North Qld, the islands and beyond, whilst increasing new exciting possibilities to our bakers.

Our Vision, Approach and Process

As a part of our commitment to the food industries we serve, all our Territory managers are classically trained chefs, bakers and pastry chefs who have worked for many years in their chosen profession and remain passionate about the industries they have dedicated their entire working careers to.

This commitment allows us to be more than just a delivery service, by offering technical know-how and hands-on working experience in the variety of food businesses we supply.

As an all Australian family-owned business we are passionate advocates of Australia's small, sustainable food producers and we love to share, support, and distribute their products with like-minded chefs and bakers.

Along with providing the best the world has to offer.

ARTY'S SWEETS

At arty's they believe in producing the softest, lightest & most delicate flavoured marshmallows on the market.

These classic favourites are reminiscent of a bygone era. Enjoy these treats just like your grandparents did, when life was just that little slower and everything was made by hand with love.

At arty's they are committed to bringing our customers that same experience and quality. All their products are lovingly handcrafted in small batches in Paddington, Brisbane. All-Natural, Gluten-Free, No Preservatives, no artificial colours or flavours.

CAREME PASTRY

Carême Pastry is owned by William and Claire Wood, located in Tanunda in the beautiful Barossa Valley.

Established in 2005 with the aim of providing a range of the finest handcrafted pastry products, made using traditional methods, from natural ingredients; free from additives, preservatives and colourings. Also, stabilizers, relaxants or any other additives commonly used in mass production are not used in the

making of our pastry dough. Their products are genuinely handmade in order to maintain the highest quality.

By combining traditional French pastry methods with the finest quality natural ingredients, Carême gives you the confidence to create delicious sweet and savoury dishes with perfect results every time.

CRUMPETS BY MERNA

With a love for locally sourced produce and years of cooking in Sydney's restaurants, Merna Taouk combined this love and passion to create Crumpets by Merna.

Merna's crumpets are fermented small-batch crumpets, with a focus on using the best local produce. We use Pepe Saya Buttermilk, Australian wholemeal flour, Australian blueberries, and Olsson's sea salt. Located in Sydney, NSW.

DILECTIO

Located in Byron Bay, NSW. Dilectio is owned and operated by Mark and Marie both absolutely passionate about creating products that are not only delicious but also nutritious, pure, and sustainable while being entirely plant-based.

Wanting to break the boundaries of what is possible in plant-based dining and their common values based on compassion, curiosity, and never-ending innovation they created Dilectio (Latin for delight, pleasure, goodwill & love).

FALWASSER

Byron Bay Cookie Company who own Falwasser started in 1990 in a small country farmhouse in the hinterland of Byron Bay.

With an old family recipe in hand, they started experimenting with local ingredients like macadamia nuts to bake cookies for local markets under the name 'Pickles, Pies & Petticoats'. Soon enough locals started referring to them as 'the cookies from Byron'... and so the Byron Bay Cookie Company was born!

Crafted with cheese lovers in mind, Falwasser Wafer Thin Crispbreads are as versatile as they are flavoursome, perfectly complementing a wide range of cheeses and condiments.

FOURNIL BAKEHOUSE

The Sudre family arrived in Australia from France in the 90s with a desire to make a contribution to their new country.

As third generation bakers they set out to create a factory in Botany NSW and in 1997 Fournil was born. Fournil are specialist manufacturers of premium par baked bread – an authentic link between the French tradition and modern Australia with its fresh ingredients and culture.

IVAN'S PIES & PASTRIES

Ivan had grown up living in WA rural setting close to the Mediterranean. As a child, any food the family had was found in the earth and trees surrounding their modest home.

Ivan's wife Anne grew up in a Melbourne family that ran guest houses and so spent many hours of her youth in the kitchen preparing meals for the guests.

Together they founded Ivan's Pies in 1980 and today, the company is known for making the best artisanal pies in Australia!

KEHOE'S KITCHEN

Based in Brisbane, Queensland, they are owned and operated by husband and wife team Brenden and Katrina Kehoe.

They proudly support Australian farmers, processing tonnes of locally grown produce daily. They also regularly provide free

feed to livestock farmers. They source their spices, packaging, and supplies from Australian businesses.

This range is great for those looking to start eating probiotic fermented food but are not keen on fermented veggies, kraut, or kimchi.

KITZ LIVING FOODS

Born in the family kitchen in 2006, Kitz Living Foods is a family-owned team of food lovers who are zealous about bringing healthy, delicious plant-based alternatives into your life.
